#### CIVIL FUND.

At a Half-Yearly: General Meeting of the Subscribers to the Civil Fund, holden at the Town Hall, on Monday, the 30th day of July, 1838.

#### PRESENT.

#### C. Tucker, Esq., Chairman.

Read and approved the proceedings of the last Meeting.

Road an application from Mrs. Crawford claiming the benefits of the Fund on behalf of herself and Child, as the Widow of the late Douglas H. Crawford, Esq., a Subscriber.

Moved by Mr. Millett, seconded by Mr. Bayley, and resolved, that the Managers be authorized to admit Mrs. Crawford and Child upon her signing the Declaration and Schedule.

The Managere submit to the Meeting the Annual Statement of the Fund to the 30th April last.

Proposed by Mr. Grant, seconded by Mr. Braddon, and resolved, that the Statement be approved, and that it be published in the Calcutta Gazette pursuant to Article XVI. of the Rules.

Read a letter addressed to the Managers from J. A. Dorin, Esp., Revenue Accountant, dated 21st February 1838, forwarding an official letter from the Collector of Burdwan, and stating that their Secretary's Office had no means of guarding against the extractionary accumulations of unremitted subscriptions as had been allowed to take place at Burdwan and elsowhere, also Mr. McClintock's Memorandums on the affairs of the Fund.

affairs of the Fund.

It appearing from these and other papers laid before the Macting, that the Fund has been subjected to serious loss, not only in the shape of short deductions from allowances of Subscribers, but also of interest on Subscriptions realized but allowed to remain in deposit in the Modusail Treasuries, instead of being immediately remitted to the Presidency, and it further appearing that such loss may be attributed in a great measure to the want of an effective establishment under the Secretary who should have in his own hands the means of ascortaining that the dues of the Fund are fully realized and punctually brought to credit—and it appearing that we can have no security against similar loss in future until an account be opened with each individual Subscriber upder the immediate control and superintendence of the Secretary.

Russlved, that a sum not exceeding Rupees 130

Resolved, that a sum not exceeding Rupees 130 per mensem be left at the disposal of the Managers for entertaining an additional establishment for the purpose of putting the Accounts of the Fund on a proper footing and preserving regularity in future and that the Managers be requested to report to the next General Maeting what measures they have taken in presention of the above objects. Resolved further, that the 50 Rupees per measure allowed for the temporary Establishment entertained under Resolution 25th January 1836, do cease from the first instant.

The Managers submit the result of the votes at the Meeting held in January last.

The following votes being unintelligible, the Secretary was directed to address the Gontlemon, viz. A. Dick., J. Lawrence, E. Deedes, A. Smelt, the Hon'ble R. Forbes, A. Homos, J. B. Dumergue and N. B. Edmonstone, Esque, with a request that they would forward distinct votes on the above subject, the Managera to publish the result in the Government Gazette and two daily papers, and to take measures for the levy of the additional case accordingly. Additional case to begin from 1st Hovember next.
